Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Glendale Municipal Airport	Funding will be used to reconstruct the approximately 30,000 square foot South Apron of the terminal at the Glendale Arizona Municipal Airport. The city of Glendale's pavement management engineers have determined that the pavement that makes up the apron has severely deteriorated and is a safety concern for aircraft due to high degrees of foreign object debris (FOB).	Glendale AZ	\$2,070
City of Kingman	Stockton Hill Road is one of the main thoroughfares through downtown Kingman, and has become congested as population has grown. Widening the road has been a longtime city priority to reduce congestion and improve the local economy.	Kingman AZ	\$1,900
Hopi Tribe	The Hopi Tribe is seeking federal funding to lay asphalt mill and a two-inch overlay in addition to the installation of traffic control devices and striping.	Kykotsmovi Village AZ	\$2,000
City of Mesa, AZ	This program will enable the City of Mesa to attract and retain small businesses in its downtown corridor, leading to increased sales for locally owned establishments and revitalization within a federally designated Opportunity Zone and major public transportation corridor.	Mesa AZ	\$300
City of Phoenix	The City of Phoenix plans to deploy the region's first electric transit buses. The City of Phoenix seeks to purchase six 40-foot electric buses for planned fleet replacements.	Phoenix AZ	\$2,745
Deer Valley Airport	The asphalt in question requires crack repair, as well as a seal coat preservation treatment. Not only will this address the safety concerns expressed by airport tenants but will also extend the life of the asphalt.	Phoenix AZ	\$1,400
Tohono O'odham Nation	The Nation plans to use funds to support construction and development of a permanent Children's Home on the Nation's Reservation, which would comprise three group homes for young children, boys and girls, respectively. The group home would allow the Nation to provide housing, care and support for children ranging in age from newborn through 18 years old, who are in the custody of the Nation's Department of Health and Human Services, Child Welfare Division, because they cannot safely remain in their own homes due to abuse or neglect.	Sells AZ	\$750
City of Tucson	The City of Tucson Willard Apartments Improvement Project consists of eight (8) units of affordable housing for the most vulnerable in Tucson	Tucson AZ	\$800
Pascua Yaqui Tribe	The Pascua Yaqui Tribe plans a 3,000 square foot renovation to the Tribe's San Ignacio Health Facility located at 785 W Sahuaro St. in Tucson, AZ. This building once complete will provide readily available services in social work, health care, food and PPE distribution, and additional senior care to the Pascua Yaqui and Hispanic community in central Tucson, AZ.	Tucson AZ	\$890
Pascua Yaqui Tribe	The Pascua Yaqui Tribe is requesting federal funds to construct a Children's Education & Cultural Center in the town of Guadalupe, AZ. This 9,200, two story facility will utilize existing Pascua Yaqui educational programs targeted towards disadvantaged youth to supplement their existing education to ensure disadvantaged children are not left behind.	Tucson AZ	\$840
